February 2016

What's Happening

Thank you, thank you, thank you for registering your sweet children for HIS School 2016-2017. Our January registration was a success and just reiterates our purpose and vision here. We thank God for your support! Here are some cool things happening this month:

- **It's Dental Health Month!!** Coastal Kids Dental will be visiting the first week of February at both of our locations. They will share the proper way for us to keep our teeth healthy.
- **Dad's will be honored this month!** Donuts with Dad will be hosted at both Sullivan's and Daniel Island February 25 and 26. Please do your best to have Dad or another family or friend join your child for this special event. To help with your planning, this event will begin right after drop off and conclude at 9:30 a.m.
- As we've had some freezing temps, please remember to **check your child's extra clothes** to make sure they are weather appropriate!
- What do you think about our new logo? We are thrilled!! Keep you eye out for an email as we will have **t-shirts, water bottles, tote bags, and car magnets for sale very soon!**

Thank you for your continued support and love as we fulfill our vision to give your child a preschool life "to the full!" (John 10:10) Love,

Sue & Marlo
