What's Happening

April was a fun filled, wonderful month here at HIS School! We had our favorite weatherman, Rob Fowler, visit and share all about God's creation of weather. Our field trip to the Children's Museum was a great time! Teacher Appreciation week was amazing and the teachers felt so blessed throughout the week with all of your gifts and treasures from the children. Muffins with Mom was such a special time and a chance for us to show our appreciation for all those hard working Moms out there.

Its so hard to believe we are in our final weeks of school. Graduation is certainly bitter sweet; especially for those children that have been with us for four years! My heart aches just thinking about saying good-bye.

Still, we have a wonderful schedule to celebrate all that your kiddos have accomplished this year in preschool. All the details are listed on the calendar for your convenience.

As we wrap up this school year, we hope you will take an opportunity to reflect on your child's experience at HIS School. Every year, on the last day of school, we email out a Parent Satisfaction Survey to make sure we are meeting your needs and to hear your suggestions for improvement. The survey only takes a minute, its anonymous, and with more than an 80% response rate, we learn so much! And promise, we really do listen to you!!

We pray you have a wonderful summer! We will miss you all very, very much. Thank you for your continued support and love as we fulfill our vision to give your child a pre-school life "to the full!" (John 10:10)

Love,
Sue & Marlo
